OUR GUARANTEE

1 Year on Parts & Labour*

We've been operating for over 37 years. That's why CMC Glazing offers it's own 1 year parts and labour warranty*. This exists right along side any additional manufacturers warranty. (*Ask us for more details, conditions do apply.)

About us

CMC Glazing is a division of Custom Metal Contracting. Our dedicated 33,000sq ft facility hosts state-of-the-art laser manufacturing equipment.

DON'T FORGET

Preventative Maintenance

Extra costs are annoying (we get it). What's worse? Spending less now, versus more later.

- Broken down silicone joints
- Exterior flashing damage
- Wear and tear from weather

Contact us for a maintenance consultation and let's talk.

Prevention is a valid strategy as it avoids a more expensive problem down the line.
